

St Mary's Catholic School Newsletter

6th November 2015

Dear Parents/Carers,

I do hope that you all had an enjoyable half term despite the rather blustery weather!

We are all looking forward to the busy term ahead. Do remember that key dates can be found on the calendar which is on the homepage of the school website.

This week you will receive a Curriculum Overview which will provide you with an insight into what you child(ren) will be learning this half term.

Best wishes, Mrs Herbert

Mrs Tracey has been working for three days a week in Class 4—Mrs Sopp has worked the remaining two.

I am now pleased to inform you that Mrs Tracey will be our Assistant Head and will be non-classed based on a Thursday and Friday, initially until Christmas.

Firework Safety

We started our week by exploring how children and pets can keep safe during bonfire night.

We hope that everyone stays safe this weekend.

Online Safety

At St. Mary's we use ICT and the Internet to teach, to learn and to have fun. Our children have more and more opportunities to access the internet, both at home and at school and therefore we take online safety very seriously. The internet and the ways that our children are using the internet is continually evolving. This week we will be sending out a "Digital Parenting" magazine which will provide you with further information on how to keep your child(ren) safe.

Please also remember that there is also lots of additional information on our website.

Remembrance Mass

Remembrance Mass for children in years 3-6 will take place at church on Thursday 19th November at 10.00am.

We hope that you will be able to join us!

Cross Country!

Children in years 4, 5 and 6 have been invited to take part in a cross country event at Mounts Bay School on Monday 9th November.

On this occasion parents will need to arrange their own transport and stay with their child(ren).

The event will take place between 4pm-5pm. You should arrive no earlier than 3.45pm. Good luck to all who attend!

A Reminder

Children are only allowed to eat fruit at break time. Please also avoid sending any form of nuts into school as we have several children who could have a severe allergic reaction.

Thank you for your support!

Class 2

The Y2 Parent Assembly was very well attended by parents and family members. All of the children have worked extremely hard to present their learning - descriptive and persuasive writing based on their topic- The Lifeboats and Healthy Eating. They showcased their knowledge of maintaining healthy and fit bodies. Finally, they ended the morning by making healthy smoothies. They were absolutely delicious!

Stars of the week!

Reception: Jack

Year 1: Filip

Year 2: Kayden

Year 3: Thomas

Year 4: Taye

Year 5: Reece

Year 6: Chloe

Attendance: aiming for a minimum of 95%

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
94.4%	100%	100%	92.2%	92.8%	91.3%	94.4%
