#### Week 2

Reception: Ruby  
Class 1: Abbey  
Class 2: Gracie-May  
Class 3: Oscar  
Class 4: Ricky  
Class 5: Neeve  
Class 6: Neve

## Reception and Nursery Swimming

For the next three  
Wednesdays-  
Wednesday 11th, 18th  
and 25th March  
swimming for Nursery  
and Reception class will  
be in the morning.

Dear Parent/Carer,

It has been a fantastic week with lots going on. The Year 5 and 6 children represented the school at the St Piran's day dance. In school we all celebrated with a traditional lunch of Cornish pasties and sang Trelawny with pride.

The school has a really great buzz about it with lots of amazing learning going on. The children are engaged in their learning and are all working very hard to be the best that they can be. Please look at your child's topic knowledge organiser and they will share their learning with you.

Thank you to the parents that attended our maths workshops. We will arrange more of these throughout the year so please look out for further dates.

Next week we have our parents evening which will give you an opportunity to discuss your child's learning with the class teacher and look at the great work they have been doing in class. If you haven't already please sign up for a time. If you are unable to attend due to other commitments, please book another time through the school office.

Our world book day costumes are amazing. The staff and children have made a fantastic effort. I have been particularly impressed with the 'reading in funny places' photos. You are all very inventive. It was lovely to also welcome the author Chris Higgins, one of our governors, for a workshop with our older children on 'how to write a story'. Many thanks also to the 'Edge of the World' bookshop for coming to school to sell her signed books for the children.

The children have also taken part in a sponsored read with Usborne books. The money raised from this will help to buy books for the school's library. The children have until the 14th to bring their forms back in.

I hope you have a lovely weekend,  
Demelza Bolton  
Executive Headteacher

## Boogie Bounce

We are delighted that Boogie bounce will be hiring our hall for their boogie bounce classes. Classes are 6pm and 7.15pm on both Monday and Thursday and it's £5.

Pre booking is essential as there are limited spaces. Please follow the link .

England

# Advice on the coronavirus for places of education

## How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

## How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

## How can you stop coronaviruses spreading?

### If you need to cough or sneeze

Catch it  
with a tissue

Bin it

Kill it  
by washing  
your hands with  
soap & water or  
hand sanitiser

### You should wash hands with soap & water or hand sanitiser

After breaks  
& sport  
activities

Before  
cooking  
& eating

SCHOOL  
ETC.  
On arrival at  
any childcare  
or educational  
setting

After using  
the toilet

Before  
leaving  
home

Try not to touch your  
eyes, nose, and mouth  
with unwashed hands

Do not share items that come  
into contact with your mouth  
such as cups & bottles

If unwell do not share items  
such as bedding, dishes,  
pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: [campaignresources.phe.gov.uk/schools](https://campaignresources.phe.gov.uk/schools)

## What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days. See **NHS.UK** for advice on coronavirus.

**If there is an emergency, call 999 immediately**
