Dear All

It is always so busy at the end of the school year and this year is no exception!

Our outdoor area is developing nicely and, at the children's request, now has the play equipment from our Storytelling room. The Storytelling room will become our new library in September. We have also purchased a bell tent which will become an outdoor classroom for the children, inspired by a well-being workshop our year 3 children took part in —watch this space!

Last week the children in years 5 and 6 had a really exciting week on their residential to London and years 4/5/6 went Surfing.

The children received their SATs results on Wednesday and today they are visiting Flambards as a treat for all their hard work. Well done Year 6, we are all very proud of you!

It was very exciting last week to be able to offer our first weekly water safety sessions to our nursery children. I am pleased to say they all had a fabulous time and really enjoyed their session.

From next year we are extending our nursery offer to include 2 year olds. If you would like your child to join, or know anyone else that would, please arrange an appointment with Miss Correnti to put your child's name on our waiting list.

After school care: from September there will be a charge for after school clubs, this is due to the cost of covering adults and resources for the sessions. The cost will vary depending on the club. We have been able to out source a gymnastics and cookery club and Mr Tremaine will continue with his sports clubs. We are also going to offer a weekly swimming session for those children attending our SMILE after-school club. There will be more information on clubs later in the week, please read the information carefully because some of the clubs will need to be booked by yourselves online.

Tonight you will receive your child's school report along with information about their next class teacher. Please could you complete the feedback form and return to school by Tuesday 23rd July.

Please note that we will finish school on Thursday 25th July at 1.30pm.

Many thanks for your continued support.

Demelza Bolton  
Headteacher

## Learnasaurus

You may have noticed the children talking about dinosaurs in class or as part of their 'star of the week' certificate. The teachers have all be trained in metacognition (how we learn) which was mentioned and explained in the last Well-being newsletter.

As part of this the children are awarded for working in the following styles:

**Exploresaurus** - I like exploring new ideas  
**Playosaurus Rex** - I have a positive approach to new ideas and problems and like to 'play' with them  
**Have-a-go-odon** - I am not afraid to make mistakes and take risks with my work  
**Diplofocus** - I am able to focus on my work  
**Try-ceratops** - I always try my best with my work  
**Prideasaurus** - I am proud of the work I produce  
**Ithinkasaurus** - I am able to think carefully about my work before I start  
**Chooseodactyl** - I am able to choose the best resources, ideas and methods for my work  
**Linkiraptor** - I can think critically, make links between ideas and include old and new information

### Music Lessons

If your child is interested in learning a musical instrument please go to the school office for more information or look at the Cornwall music service trust -

<http://cornwallmusicservicetrust.org/signup/>

### Charities

We are in the process of deciding which charities the school will support for the next academic year.

If you have any charities close to your heart ,please let the school know by the Monday 22nd July.

Deina, in Year 4, recently participated in a Karate competition. She secured a Bronze medal for Tag Sparring and a Silver for the Kick the Dummy element of the competition. Well done Deina, Year 4 are all very proud of you.

Domas enjoyed the Year 4 assembly so much, he decided to do some research and create a picture of the Bengal Tiger. Miss Taylor is now proudly displaying his picture on her class wall alongside Year 4's work. Thank you Domas.

Friday 5th July

Years 4 , 5 and 6 learning  
Beach Safety and how to  
surf.

# SMILE CLUB

*Small Moments In Life Everyday*

I like coming to after school club because I can go on the field and play football with my friends and Miss May.

Oliver

I like to play with playdough!

Poppy

I like all the stuff we have to play with and we get toast.

Leland
