Dear All

We have certainly been blessed with beautiful weather over the last couple of weeks! It has been lovely to see the children enjoying the sunshine at breaktimes and during outdoor learning.

School is always very busy at this time of year, and this year is no exception!

I would like to say thank you to Mrs Sopp and all the staff and parents that helped to make our Mazey Day parade so spectacular. It was really important to the children, that we make people aware of the environment, when asking for their suggestions about the structure. Thank you to everyone that brought in recyclable materials. If you did not get an opportunity to see the parade, our structure is on display in the school hall, please do come in and see it!

I know that preparations are all in place for our Summer Fete which takes place tomorrow on the school field at 1pm—5pm. There are many different activities including a bouncy castle, face painting and the school swimming pool, which will be open for sessions. It would be fantastic to see you there supporting our school. Our PTA have been very busy arranging this event for the school and I would like to say a huge thank you for all of their hard work and dedication to St Mary's. It is greatly appreciated by the staff and the children. With the money raised so far by the PTA this year we have been able to keep the swimming pool as viable asset, buy playground toys, buy books for the school and equipment. Thank you to all parents for your generous contributions!

On Monday I held an assembly for all of the children around drug safety awareness. I would just like to commend the children on how sensible they all were. There were many questions asked that I did my best to answer. Please do remain vigilant, the safety of the children is of upmost importance to us all.

I would also like to say how proud I am of the children's behaviour in church this morning from Reception to Year 6. It is lovely when members of the congregation comment positively.

I wish you all a lovely weekend and look forward to seeing you at our Summer Fete!

Best wishes
Demelza Bolton

Year 4 were delighted to receive a visit from Gargi last week. She wrote every child's name in Hindi, spoke to us about Indian culture and Indian Gods, showed us Indian money and brought in her mum's sari. Her mum lives in the Himalayas, a very beautiful, serene part of India. The children enjoyed her visit very much. We hope she will come back and visit us again soon.
