Dear All

What a busy term we have had so far. On Tuesday 11th June the school was externally moderated for KS2 writing results and I am really pleased to say that all our judgements were agreed with. A big thank you to our year 6 teachers and adult support with the SATs.

Unfortunately due to the poor weather we had to cancel both of our EYFS sports days but hopefully will have better weather for Reception class Monday 17th June at 2pm and Nursery on Wednesday 19th at 2pm.

As you are aware our school swimming pool boiler has broken. We are so pleased that we have been able to purchase a new one with the support from Plymouth CAST. The boiler will be installed as soon as possible. It has highlighted to us just how important it is that we receive parental contributions for the children's swimming lessons as we really rely on the extra funding when unexpected things such as this happen so I would like to thank you for all of your contributions.

I would like to let you know about some changes that will be happening next year.

Mrs Barnard, our Assistant Head and SENDCo, has been successfully appointed at a school closer to home so will be leaving St. Mary's at the end of the school year. We will be sad to see Mrs Barnard go as she has worked at St. Mary's now for 12 years but wish her lots of luck in the future. I am delighted to announce that following an interview process with other heads and governors we have appointed Mrs Luff to become our Deputy Head and SENDCo from September. Mrs Luff has previous leadership experience and has been working at St Mary's for the past term so is already familiar with many of our parents, staff and systems of working. Next year Mrs Luff will not have a class responsibility so will be the first point of contact for parents, should you have any concerns. I am also delighted to announce that Miss Sarah Correnti has been appointed as our Senior Teacher and will assist Mrs Luff on the days I am in Falmouth. We are very fortunate that all appointments have been made in-house so handover meetings are already well under way.

If you have any concerns, please do not hesitate to contact the school office to arrange a meeting to see me.

Many thanks for your continued support.

Demelza Bolton
