

Dear Parents and Carers,

Welcome to the school year 2023/24! The children have settled brilliantly back into school routines and many have already come to see me with their fantastic learning.

As you can see, we had some major building works over the summer holiday - we are well under way to becoming a carbon neutral school. The contractors are in the final stages of completion now, fixing any snags and re-decorating areas. The pool is still a work in progress and we are hoping for a reopening around the 1st November.

Our community shed is looking very full - uniform, books and food. Even though the door might be closed, it is unlocked and ready for you to take whatever you need. Please do bring a bag and help yourself.

Best wishes,

Miss Teixeira
